San Diego County was created on February 18, 1850. It is one of the original twenty-seven counties of the State of California. On November 12, 1603, the day of San Diego de Alcala (Saint James of Alcala), Sebastian Vizcaino anchored his fleet in the bay of San Diego, and named the bay in honor of the day, as well as in honor of his flagship, which name has since been retained, although Juan Rodriguez Cabrillo named this bay San Miguel on September 28, 1542, sixty-one years previous; and it is from this bay that the county derived its name. \*
